No. 92-17

A. ADDITIONAL IGNITION SYSTEM ADVANCE CURVE SPECIFICATIONS

Models

GM V6 and V8 Engines
Serial Number 0F000001 and above

Advance Curves

V6 and V8 engines produced above the serial number listed will have the Ignition Module mounted on the Distributor. The part number for the module will change but the advance curve for each respective module will remain the same as the old module. Please add the new module part number next to the old module's part number on the advance curve shown in service bulletin 91-12, as follows:

Page	Old P/N	Add P/N
6	15247A1	805361T-1
8	15899A1	805361T-3
9	814295A1	805361T-4
10	821125A1	805361T-6
14	15248A1	805361T-2
15	817509T	805361T-5
