"T" SUFFIX ADDED TO PART NUMBER

Mercury Marine is in the process of adding new part numbers **("T" SUFFIX)** to the system to control internal packaging requirements.

A "T" suffix in the part number indicates the addition of packaging to the part, but **NOT** a change to the part itself.

When ordering a "T" part, Mercury Marine may fill your order with a part number having either the "A" suffix or no suffix at all.

EXAMPLES:
809837T97 is the same as 809837A97
98096T is the same as 98096
